in this manner.

Hitchcock referred Sonora and Chihuahua. Though today was the regular meeting day of the committee on foreign re-lations, no meeting was held. It is expected that a meeting will be called for Saturday, when the Mexican situa-tion will be thoroughly discussed.

Supporters of Carranza Preparing a Statement

A statement is being prepared in Wash ington today by members of the constitutionalist party of Mexico, which they believe will solve the difficulty that exago that the White House and the State Department had not received and would welcome accurate and reliable information as to their aims and ambitions. Notwithstanding the fact that the contions with the United States, it is ex- Constitutionalists Officially Announce pected that some way of delivering this

document to the American government will be found by tonight or tomorrow. The statement will declare the belief of the constitutionalists that the proposition of mediation by the United States in the troub.es of Mexico, which is being discussed in all circles in Washington today, will, so far as the constitutionalists are concerned, be impracticable. would endeavor to compose the differences between the followers of Huerta and the followers of Carranza (the latter being the leader of the constitutionalists), leaving Huerta in his present position as the nominal ruler at Mexico City. To this the constitution-

alists will not consent. Flight of De La Barra.

The statement will contain informawho have become hopeless of any settlement of the troubles of the country

minister of foreign affairs under ricans. Huerta, has resigned that position, and that he left for Europe one week ago today, no news of his departure havbeen allowed to trickle out of Mexico City until today, the department of foreign affairs of Mexico being thus Indianapolis Police to Appear left without a head at this juncture. The document will contain the stateficers of the government directed by him half pay, in the hope that a loan could be negotiated eventually through which they might be paid. The statement will also contain

charge that Huerta is now practically unable to pay the troops who are serving him, and that the moment the first ex-pected default is made in the payment of these soldiers they will desert him, leaving him without even the prefense of being able to continue his defense against the constitutionalists under Gov. Car-

The statement is being prepared by Francisco Escudero, who has been for eighteen years professor of political economy and history in the University of Guadalajara, who is a member of the Mexican congress, and who is the minister of finance in the cabinet of Gov. Carranza, leader of the constitutionalists. Prof. Escudero is said to be on terms of corresponding acquaintance with President Wilson. He is being assisted in the preparation of the statement by Manuel Perez Romero, confidential agent in Washington of the constitutionalists, fort to Set Fire to Mansion.

| Corresponding acquaintance with President Wilson. He is being assisted in the President Wilson Wils

Protested Shipment of Arms.

It was admitted today by the concombatants to continue to allow the Huerta combatants to continue to receive arms and ammunition from the United States was in his belief an injustice, when it is considered that a similar privilege was denied to the constitutionalists.

The statement will contain an assertion that for the United States tion that for the United States to bar Two Men Rescue Animal From Brink shipments of arms and ammunition to Huerta would be a recognition of the fact that both the Huerta and constitutionalist forces are factions in de facto control of the territories in which they are respectively established, and that this recognition is all that the constitutional- dog which was clinging to some rocks tors." ist government is asking for from the United States at this time. The document will point out that the act of the Mexican congress last May. just before its adjournment, which pro-vided that elections shall be held in Mexico October 20, cannot be recognized by the constitutionalists because that act of that congress was dictated by Huerta.

It will state that the aim of the constitutionalists is to place the executive power of Mexico in the hands of some

it likely that any definite policy will be shaped. He is expected in conference at the White House on Saturday morning. vide for elections in accordance with the constitution of Mexico. The statement will declare that elections to be held under their supervision in accordance with constitution of Mexico. The statement will declare that elections to be held the law will be absolutely free from outside influence, and as free from domina-tion as were the elections held in Sep-tember, 1911, which resulted in the election of Madero.

Demand for Free Elections.

The document will state that Gov. out of the twenty-nine states of Mexico a following sufficiently large to been making a mistake to think that ly different type of man, could have done so, and would have achieved a Proposals for mediation, for repeal of great success as president if he had

The statement will declare that there dent Wilson's alternate plan, for extension and rigid enforcement of the neutrality provision, were discussed through the Senate today, but no definite plan of action has received approval. the clerk droned over the list and members, after answering, drifted out of the hall and went their ways, convinced there would be no work today.

There were more democrats than republicans, and, failing to develop the presence of a quorum, the House adjourned. he strolled out, "of the story John Sharp Williams told on the floor of the Senate yesterday. A fellow was rolling along the street, taking up both sides of the sidewalk, and muttering 'I am goin home; if dinner isn't ready I am going to raise Cain, and if it is ready I ain't goin to eat a blamed bite." Today's action by Mr. Mann was a continuation of the republican filbuster against all business in the House as a

American and English Tennis Players Begin Battle for Trophy Friday. WIMBLEDON, Eng., July 24 .- The committee of the All-England Lawn Tennis Wyoming Valley Suffers From Wind Association today arranged the order of play in the challenge round of the contest for the Dwight F. Davis international lawn tennis trophy, which is to be fought the heaviest wind and rain storms expe- out between teams representing the rienced in the Wyoming valley in years United States and England tomorrow, halted traffic here for a few hours yes- Saturday and Monday.
